For an iOS device:

For an Android device:

The PCHS Library now offers a wide variety of eBooks (fiction and non-fiction) to enjoy from your computer, tablet, or phone through FollettShelf. You can read these books on your IOS or Android devices through the FollettBryteWave app. After you download the app, you must authenticate it the first time you use it:

Your USERNAME: your 8-digit student ID #

Your PASSWORD: your last name, first initial (for example: monckd)

FollettShelf URL: wbb09931

The app will open and you will be able to browse, search, checkout, and read an eBook from our collection. Once the eBook is downloaded, you can read it even when you are not connected to wi-fi. Your eBooks will automatically return to the collection after 15 days, or you can return them early and check out another.

You can also access our FollettShelf collection directly from the Internet. Go to this website and log in as outlined above:

Be sure to 'log out' of FollettShelf when you are through if you are using a school computer, tablet, or IOS device.
